Hotel Information for Long Distance or Travel Meets

(does not include hotels for state, regional and national championships)

It is advised to make reservations as soon as possible. Typically, hotels can be reserved with a credit card, charges are not applied until the actual hotel stay. It is recommended to reserve Friday and Saturday (possibly Thursday for travel meets such as Chicago and Battle of Champions in Toledo), then cancel when detailed session information is available. Most hotels allow cancelations up to 1 week before the reservation date, please check with the hotel to verify this.
