

# Stars & Stripes Camp Spotlight

Monday: Meet Kit! Kit is a young girl who grew up during the Great Depression. She watches her father lose his business and how her world turns upside down. With the help of her friend Ruthie, Kit learns what money cannot buy- friends and family. We will be making friendship bracelets and decorate a picture frame for your child to display her friends and family.

Tuesday: Meet Julie! The 1970's were full of peace and love. For Julie, it is time for changes. She has to leave her best friend, Ivy Ling, and start over in a new house and school. But sometimes, change can be a good thing. We will be making purses or bags covered in bright colors, peace signs, and flowers. You don't want to miss the hippest day of the week!

Wednesday: Meet Rebecca! Rebecca is a creative little girl who is growing up in the big city in 1914. New York is full of possibilities and differences. Rebecca must learn to stay true to her Russian- Jewish background and still find room to follow her own dreams. We will pretend to be movie stars and use the dress- up clothes and create lasting memories.

Thursday: Meet Lanie! Lanie is a very adventurous girl, but when her best friend leaves for a real adventure, she seems to be lost without her. When her outdoorsy aunt comes to visit, Lanie discovers all kinds of adventure right her own backyard. We will create our own adventure, with weather permitting. We will use the play house and use our imaginations for discovery and adventure. No wonder Lanie is the girl of the year!

Friday: Meet \_\_\_\_\_! Each child is very special and we want to know all about each and every one of them. Friday we are going to celebrate you! We will decorate our own journals and be able to write about ourselves that summer. As always, Friday is our water day. Don't forget to bring you swimsuit and towel!

Wow! What a super fun week. Looking forward to seeing your camper at American Girl Camp!!
