Each day at Bunnies Camp will focus around a fun filled theme. We have creatively designed each lesson to be gymnastics based with proper skill progressions, as well as educational to keep young minds moving. If your child likes to learn, have fun, laugh and jump, then Bunnies Gymnastics Camp is calling their name!

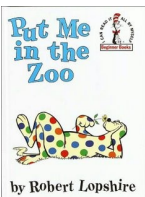

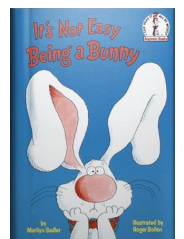

MONDAY is DINOSAUR DAY! Come join us for a pre-historic day of adventure and gymnastics. We will start our day with a dinosaur march and we will use the parachute to make some pre-historic cookies using inflatable dinosaurs. Each gymnastics event will be themed around the fabulous dinosaurs. We will also have story time with the book “How Do Dinosaurs Eat Their Food?”, followed by the coolest dinosaur themed art activity. If dinosaurs and gymnastics are your thing, then Stars & Stripes is the place to be!

TUESDAY is THE VERY HUNGRY CATERPILLAR DAY! One of America’s all time favorite stories will be invading Stars & Stripes. We will be reading “The Very Hungry Caterpillar” along with an exciting caterpillar craft project. Each event will be centered around a particular event that happens in the book. The campers will roll, jump and cartwheel with our caterpillar friends. Have you ever moved like a caterpillar on a balance beam? Have you swung on a rope like one too? Well, come join us because this camp is for you!

WEDNESDAY is CORDUROY DAY! Each camper is invited to bring their very own teddy bear from home who will help them with their gymnastics today. We will show our teddy bears how to balance on a beam and we’ll amaze our teddy bears with our cartwheels. The bears will jump with us on the trampoline and swing with us on the rings. Corduroy will be the star of the day and we are going to make a yummy teddy bear surprise that is sure to please each and every bear.

THURSDAY is DR. SEUSS DAY! I do just love green eggs & ham. But, I love Bunnies Camp more! Watch as the Cat in the Hat transforms Bunnies Camp into a magical day of imagination with an all out Grinch free party. Our events will be surrounded by none other than our Dr. Seuss friends. Campers will walk, balance and jump on the beam. They will climb, cartwheel, and rock-n-roll on the floor. Campers will jump, freeze and have a pit party at the trampoline. If you love to learn and love to jump, then Run, Run, Run to Bunnies Camp for Fun, Fun, Fun!!

FRIDAY is ZOO DAY! Who let the animals out? Who? Who? Friday camp is roaring with fun as we cartwheel around, climb monkey bars, swing on the rope, jump into the lion’s pit, not to mention get wet like a penguin with the greatest water activities ever know to zoo kind. What a wonderful way to wind down one of the most fun camps at Stars & Stripes. Who would have thought that gymnastics and animal fun could all happen at the same place! Sign-up today before the zoo animals get in the way.
