Tuesday: Dinosaurs!! A theme that every camper will enjoy! We will take a journey back in time to when dinosaurs roamed the earth. Our campers will learn about the different kinds of dinosaurs, what they ate and where they lived. We will also take a journey outdoors for a dino-dig. I wonder what we will be able to find...

Wednesday: Outer Space Day. All cleared for take-off! Hop aboard our rocket ship headed for amazing adventures here at Stars and Stripes. Campers will learn about stars, constellations and what it takes to fly to outer space without leaving our own backyard. We're sure to have a "rocket" good time!

Thursday: Cars. Vroom, vroom...here we go! Our little racers will enjoy race games, crafts and open play with the coolest cars we have! We will build our own "race car" to race off to a destination unknown. There is so much excitement to be had, so buckle up and let's go!!

Friday: Water Day. Prepare to make a splash on a day that involves all things water: water games, water painting and so much fun in our Water Fun Area. Be sure to apply sunscreen on your child and bring bathing suits and towels to participate in this fun and exciting activity!
